This route offers breathtaking views of the harbour and the ocean beyond. Its hard to top an early morning cruise on this route - it's good for the soul and the heart.. A great picnic option is to visit the Low Point Lighthouse at mid trip (1 km past the church at the end of Brown Street). Diversions along the route include the Whitney Pier Museum that chronicles this distinctive and diverse neighbourhood, Fort Petrie, part of the naval fortifications of Sydney Harbour and the ever popular Polar Bear Beach. The route is presented as a loop but shore route alone is great return trip. The inland section offers a break from the ocean breezes and a spectacular view of the city and it's harbour from the top of Lingan Road..
