Beautiful Isle Madame is a lovely 35 sq. km. Island that is alive with an abundance of nature beauty and Island culture. With a population of approximately 4000 we can be found on the most southeastern tip of Cape Breton Island. Geographically it is located 48.7 km. from the Strait of Canso, Cape Breton's gateway to the world or 136 km. from the Newfoundland ferry in North Sydney.

Isle Madame prides itself on being a progressive, welcoming community with a peaceful setting as a key reason for visiting or moving to the area. Isle Madame's population are proud to be called a designated French culture region with 70% of the population being bilingual.

The area of beautiful Isle Madame has many points of interest for all to explore. Set out for a day on one of our many trails, or visit the Forge Museum which was restored in 1967 and features artifacts from Isle Madame's historic past, or spend a lazy afternoon relaxing beachside. Warm summer breezes await you while lounging on the patio at one of our top-rated County Inns or Cottage retreats. If you are looking for a region to inspire your creativity, Isle Madame has a growing community of artists, writers, entrepreneurs, musicians and crafts people. And a visit isn't complete without tasting some fresh Maritime cuisine or dancing a jig at one of our many cultural festivals!
